

Our fundraiser, An ARTrageous Evening: Bids, Bites, and Bordeaux, was a smashing success! Folks had the chance to bid on great art, jewelry, gift certificates, and more while enjoying each other's company and noshing on delicious food and drink. More than 150 people attended the event, and we netted approximately \$30,000 in profit.

We heartily thank the event chair (Suzanne Stone), her co-chairs (Sylvia Finger and Karen Sher), the planning committee, and the many volunteers who assisted. In total, approximately 50 people were involved in staging the event. From ticket sales to schlepping artwork to manning the checkout counter and everything in between, this event could not have been successful without the generous donation of their time. We can be extremely proud of the volunteering spirit of Shir Chadash.

We are also tremendously grateful to the artists, patrons, advertisers and other donors listed below:
